**The Whitiora Learner H.E.A.R.T. :** The H.E.A.R.T. attributes are both learning and behaviour values and expectations we ascribe to. Our Whitiora H.E.A.R.T. embraces our school motto which dates back to 1919 and also the more recent Fish Philosophy of four interconnected practices by which we can build stronger relationships with the team members we work and learn with.

**H ~ Be True To Yourself:** A motto to live by - to be a person of integrity, to be able to stand up for what you know is right and to act on it. We all need people who we can trust and in turn we need to be a person who is honest and can be trusted by others.

**E ~ Be There:** When people need you, they need all of you. Setting aside distractions and judgments to be fully present is a sign of respect. It improves communication and strengthens relationships.

**A ~ Choose Your Attitude:** To actually choose how you respond to life, not just react, you must be intentional. When you get up, decide who you want to "be" today. Moment-to-moment awareness is key. Ask yourself throughout the day, "What is my attitude right now? Is it helping the people who depend on me? Is it helping me to be most effective?"

**R ~ Play:** You can be serious about your work without taking yourself so seriously. Play is a mind-set more than a specific activity. It allows you to throw yourself with enthusiasm and creativity into whatever you are doing, in a way that is natural, not forced. "Playing" with ideas helps you find solutions to everyday challenges.

**T ~ Make Their Day:** Simple gestures of thoughtfulness, thanks and recognition make people feel appreciated and valued. When you make someone else feel good, you feel good too.

## Principles

Our principles are based on research and deeply held beliefs on what is important for our learners in order to experience success in learning and to become competent learners and members of our society. They are:

**The Key Competencies** (NZ Curriculum 2007) of effective learners which prepare them for their future.

- **Thinking.**
- **Using language symbols and texts.**
- **Managing Self.**
- **Relating to others.**
- **Contributing.**

**Whitiara School has adopted the 7 Principles of learning** (OECD 2016) that support success:

- **We place learners at the centre.** *Our learning environment recognises the learners as its core participants, encourages their active engagement and develops in them an understanding of their own activity as learners.*
- **We support the social nature of learning.** *Our learning environment is founded on the social nature of learning and actively encourages well-organised co-operative learning.*
- **We mobilize emotions which are integral to learning.** *Our learning professionals within the learning environment are highly attuned to the learners' motivations and the key role of emotions in achievement.*
- **We recognise and utilise individual differences.** *Our learning environment is acutely sensitive to the individual differences among the learners in it, including their prior knowledge.*
- **We stretch all students.** *Our learning environment devises programmes that demand hard work and challenge from all, but without excessive overload.*
- **We assess for learning (not just for formative purposes).** *Our learning environment operates with clarity of expectations using assessment strategies consistent with these expectations: there is a strong emphasis on formative feedback to support learning.*
- **We build horizontal connections across the curriculum and outside the classroom.** *Our learning environment strongly promotes "horizontal connectedness" across the areas of knowledge and subjects as well as to the community and the wider world.*

	<p>With these 7 Principles of Learning and the Key Competencies we aim to provide all students a variety in learning and the best learning opportunities across the full curriculum so as to develop each student as a whole learner:</p> <ul style="list-style-type: none"> <li>→ Purposefully building on prior learning and inquiry/passion learning.</li> <li>→ Encouraging, creativity, innovation, reflection, and excellence.</li> <li>→ Supporting without discrimination all students to have equity in learning and to achieve personal excellence.</li> <li>→ Involving family, whanau and community.</li> <li>→ Recognising, respecting and celebrating New Zealand’s bicultural heritage within the reality of a multicultural community today.</li> </ul>

# Whitiora School STRATEGIC PLAN 2021 to 2026

## Strategic Goals

## Core Strategies for Achieving Goals 2021 - 2026

It is noted that Whitiora School is an inner city school without the usual suburban living neighbourhood. Instead many families live in apartments or motel units and enjoy the large park like grounds of the school during the weekends. The Whitiora School community is made up of a diverse range of cultures and ethnic backgrounds which add a richness to school life and learning.

Whitiora School student body at 18th December 2020 = 269 in total - Boys = 47.2% (127) and Girls = 52.8% (142).

The ethnic breakdown is: Maori = 144 = 53.5%, European = 20 = 7.4%, Polynesian = 39 = 14.5%, Asian = 53 = 19.7%, Other = 13 = 4.8%  
Within these are 64 ESOL students = 29.7%

Kowhai LC -Year 1,2 = 75 , Totara LC -Year 3,4,5 = 97 (84 + 12 Reo Rua) , Rata LC -Year 6,7,8 = 85,  
Yr1 = 43 ; Yr2 = 35; Yr3 = 36; Yr4 = 32; Yr5 = 37; Yr6 = 36; Yr7 = 23; Yr8 = 27

Due to **2020** transient patterns of inner city living and emergency housing

- the school experienced extremely high levels of transience overall  
From the start of the year there were 240 enrolments and 192 departures with a roll of 269 which equals **161% transience**.
- Of the 269 students on the roll at the end of the year **132 students (49%) were enrolled in 2020**.  
Enrollments for 2020 were spread over the term as follows; T1 = 39 students: T2 = 26: T3 = 32: T4 = 35 ... Total = 132

**By comparison in 1919** with an end of year school roll of 245 students

- transience was 114% (136 enrolments and 113 departures with a roll of 243)
- there were 167 students (68%) stable on the school roll for the year

## Powerful Partnerships

**Develop Powerful Partnerships** to strengthen and accelerate student learning

Establish and document a clear understanding of the school - parent relationship expectations at enrolment to be provided to parents at their child's enrolment.

Attendance Levels and targets goals to be identified with parents and report on these regularly.

Use newsletters and a range of social media platforms to keep parents up to date on school and Learning Centre progress

Provide opportunities for our school to look at different models of whanau engagement and connections.

Develop meaningful, learner centred relationships with all community stakeholders.

(E) We acknowledge the role of whanau and parents as active participants in their children's learning and work to strengthen this through:

- Collaborative target and goal setting once a term in student parent and teacher conferences
- To provide opportunities for parents and whanau to positively participate in their child's learning.
  - Involvement as resource people in student Inquiry Learning
  - Providing cultural expertise for students in learning opportunities / lead cultural groups
  - Supporting the student's completion of the Mahi Challenge each year
  - Involvement in school special events and celebrations
- ongoing inquiry of our Maori Community to support understanding of identity, belonging, aspirations and active involvement in their children's learning
  - Implement planned regular consultative hui with all school ethnic groups
  - Gather cultural stories for the region

Explore the research and support material with regard to developing powerful connections with parents / whanau, whilst maintaining the mana of each school i.e. ruia tool, [ERO: Educationally Powerful Connections with Parents and Whānau report](#) (CS).

Establish a working relationship with local Manu Whenua and Waikato Tainui's education strategy [Waikato Tainui Education Strategy](#), Whakatupuranga 2050.

Our tamariki will be lifelong learners and be successful as Māori learners in both worlds.' The majority of the tamariki in Te Aahuru are second language learners of te reo Maaori.
